ProExpress program

Changes or cancellations

No changes or cancellations will be accepted. Due to the fast processing of this program changes are not an option.

Shipping

All orders will automatically default to standard ground shipping unless expedited shipping is specified and clearly marked on orders. Customers are responsible for payment of any additional charges incurred from requests for expedited shipping. Consult standard price book General Terms and Conditions of Sales and Service for shipping and freight charge details. Company's freight shipment guidelines are set forth on the My Allegion Portal (Freight Shipping Guidelines.)

Minimum order size

A \$50.00 net minimum will be applied to all orders, no minimum quantity required.

Return material authorization (RMA)

RMA for products purchased through ProExpress must be processed through Customer Care.

Credit hold

Any order received through ProExpress by an account on a credit hold will be held for no longer than a 10 business day period. If the accounts' credit hold is not lifted within the 10 business day period the order will be canceled. Any delay due to credit hold negates the 5 business day delivery guarantee. The 5 day guarantee will be reestablished once credit availability has been established and the credit hold has been released.

Guarantee

The Pro Express 5-day delivery guarantee is limited to orders having specified shipping destinations within the contiguous 48 United States. ProExpress orders with shipping destinations located in the states of Hawaii, Alaska or other US territories will be processed in the same manner as all other ProExpress orders but the specific 5-day delivery guarantee does not apply for delivery to these locations.
